Enhanced Conveyance allowance of the Health officer and Sanitary Insprs of the H.A.S.Bd.

Continuation Sheet. File No. / Current No. of Page.

Letter A1 - No 77144 dated 6-1-45 from the president, Hindustan aircraft Sanitary Board furnishing the information called for

a) The report of the president Hindustan Aircraft Sanitary Board is subtd for perusal.

b) The recommendation of the president H.A.S. Board is that the C.A. of the Health officer of the Board may be increased from Rs 30 to Rs 50 p.m and that of the Sanitary Inspr's may be increased from Rs 5 to Rs 10 each p.m (there are 3 Sanitary Inspr's for the Board)

c) It is seen from the report of the president that out of the anticipated revenue of Rs 69,500 out of which Rs 60,000 is contribution both from Govt and H.A.S.Bd) as much as Rs 42,263 is spent towards establishment charges. Economy with regard to the establishment charges is necessary to find funds for public works. Though the expenditure of the Board is expected to amount Rs 73,618 as against the revenue of Rs 69,500, proposals for the payment of higher allowances, pay and additional establishment are being submitted by the Board frequently

d) The proposal to pay higher C.A to the Health officer and the Sanitary Inspr's is subt for orders.

19) The recommendation of the President, Hindustan Aircraft Sanitary Board is that the conveyance allowances of the Health officer of the Board Sanitary Inspectors may be enhanced from Rs 30-0-0 to as in the case of the H.O, and from Rs 8 to 10 in the cases of S.I.s.

20) The Director of Public Health who was consulted in the matter has expressed that the conveyance allowance may be enhanced as proposed.

21) It is submitted in this connection that the financial position of the Board is rather gloomy. In another connection Govt have directed that the Board cannot continue to depend upon Govt grants and must make themselves

Self Supporting. It is therefore necessary for the Board to defer expenditure of the kind now proposed till their finances improve (and also in view of the fact that they will have to pay enhanced dearness allowance at the revised rates now sanctioned by Govt for their own employees.) If possible, the Board should see its way to reduce its expenditure by minimising the establishment by readjustments. (They will, it appears, be requested to consider this question ~~(Vide Board's Proceedings supra)~~)

22) Having regard to the above facts, it is for consideration if the Board may not be asked to defer the proposal till their finances are stabilised (Vide paras 14 & 15 supra)

I have the honour to state that as per Government Order No: L.71-76/V.P.22-44-2 dated 3rd July 1944 sanctioning the establishment of the Hindustan Aircraft Sanitary Board, the Conveyance allowance payable to the Revenue Officer, the Health Officer and the F.T.A. of the Sanitary Inspectors are Rs.50/-, Rs. 30/- and Rs. 8/- P.M. respectively.

2. As the Health Officer has also to discharge executive functions over an area of concurrent jurisdiction of the Revenue Officer and also to maintain a conveyance for the due discharge of his duties, it was recommended that the rate of Conveyance Allowance payable to the Health Officer may also be raised to Rs. 50/-.

3. So also, the F.T.A. paid to the Sanitary Inspectors was also recommended to be raised to Rs. 10/- p.m. in view of the intensive work they had to do.

4. The subject was placed before the Sanitary Board at its meeting on the 12th instant and the Board have sanctioned the grant of the enhanced rate of C.A. and F.T.A. of Rs. 50/- p.m. and Rs. 10/- p.m. to the Health Officer and the Sanitary Inspectors respectively.

5. I request that early sanction of Government may kindly be obtained for the payment of the C.A. and F.T.A. at the enhanced rates sanctioned by the Board from the date of the officials reporting for duty in this office.

With reference to your letter No: L.3972-V.P.43-44-16 dated 26th October 1944 calling for certain additional particulars in the matter of enhancing the F.T.A. of the Health Officer and the Sanitary Inspectors, I have the honour to state that the Health Officer is maintaining a motor cycle. He has stated that he has to come from the city (Tata's Institute) in this vehicle and that it has to be used for rounds in the Board area where the fartnest village is more than 10 miles by road. The actual cost of maintenance is stated to be Rs. 60/- per month including wear and tear.

The Sanitary Inspectors are maintaining bicycles for their tour in the Board area. They also travel from the City and go round in their jurisdictions to attend to their duties. This is due to the fact that they have no suitable residential quarters in the area. Especially in these days of high prices, scarcity of spare parts and the heavy wear and tear, the maintenance of cycles is reported to cost not less than Rs. 10/- per month for each cycle.

As regards revenue and expenditure of the Board, it may be mentioned that the total expected revenue is Rs. 69,500 out of which Rs. 60,000 is contribution both from Government and the Hindustan Aircraft Factory and the

Re: Grant of Conveying Allowance to the Health Officer and Sanitary Inspectors of the Hindustan Aircraft Sanitary Board.

With reference to your letter No.L.7294 dated 22nd January 1945 forwarding for opinion a copy of letter No.P.10/44-45 dated 14th October 1944 of the President, Hindustan Aircraft Sanitary Board, Bangalore, I have the honour to state that the enhanced conveyance allowance recommended may be given as it is necessary on account of the difficulties of moving about in a costly place.

I may state that a Fixed Travelling Allowance of Rs.10/- is given to the Sanitary Inspectors of the same status in the Aerodrome Health Units and a Fixed Travellin Allowance of Rs.15/- to the Sanitary Inspector, Bhandira Health Unit, whose pay also is Rs.55-4-87. Second Class Health Officers of the Department are usually given a

S I R,

With reference to your letter No. L. 8773 dated 1st instant regarding enhancing the conveyance allowance of the Health Officer and F.T.A. of the Sanitary Inspectors of the Board, I have the honour to state that the proposed enhancement of the allowances was made on a consideration of the conditions prevailing in the Aircraft area which have not improved although the activities of the Factory are diminished

The question of reduction in expenditure will be considered by way of having junior or low paid officers or a lesser number of officers and not by denying allowances to existing hands which are proposed to keep them on the same level as others working in the same Board. I therefore request that sanction of Government may be kindly obtained to increase the proposed allowances of both the Health Officer and the Sanitary Inspectors keeping the question of reducing the strength of for general consideration. The present enhancement of allowances proposed is just to bring the allowance of Health Officer and Sanitary Inspectors on a par with those of Revenue officer and Revenue Inspector of the Board.

In this connection I write to say that provision has been made in the budget recently sanctioned by the Government for the increased allowances: "D.-Public Health and Convenience

I(a) Health Officer (Pay 200 plus 50. C.A.) Rs. # 3,000/-

(2) Conservency and Sanitation (a) Establishment -. 3 Sanitary
